

Lighting Assurance

WLS is Proud to Offer the Best Warranty and Lighting Management Programs in the Industry

**One Call
LIMITED
System
Warranty**

In order to offer the best lighting management programs in the industry, WLS chose Venture Lighting as their strategic partner. Venture is the ONLY lamp and ballast manufacturer in the world dedicated solely to metal halide lamp and ballast technology! WLS and I Squared Lighting (a Venture company) have developed the inLighten energy saving lighting retrofit program. When you partner with WLS/I Squared Lighting, you can choose from all of the following warranty and lighting inventory management benefits. Talk about sustainability!

The WLS/Venture “pulse start” metal halide system Warranty: “One Call”, at no extra cost

- (2) year lamp warranty
- (5) year ballast warranty
- Factory direct (HIDirect) pricing for lamps and ballasts when the warranty expires

Other Warranty and Lighting Management Options

Pricing is dependent on wattage and operating hours
